Styling a page with CSS (incl. responsive layouts)	☐	☐	☐	☐	☐
Writing JavaScript (functions, loops, events)	☐	☐	☐	☐	☐
Fetching data from an API	☐	☐	☐	☐	☐
Using Git and GitHub with a team	☐	☐	☐	☐	☐
Deploying a website with GitHub Pages	☐	☐	☐	☐	☐

D. The program experience

How much do you agree with each statement?

STATEMENT	Strongly disagree	Disagree	Neutral	Agree	Strongly agree
The lessons moved at a good pace for me.	☐	☐	☐	☐	☐
Facilitators explained concepts clearly.	☐	☐	☐	☐	☐
I could get help when I was stuck.	☐	☐	☐	☐	☐
I had enough access to devices and the internet.	☐	☐	☐	☐	☐
The capstone helped me apply what I learned.	☐	☐	☐	☐	☐
My team worked well together.	☐	☐	☐	☐	☐
I can picture myself in a tech career.	☐	☐	☐	☐	☐

E. Looking ahead

Before this program, how interested were you in a tech career?

☐ Not at all ☐ A little ☐ Somewhat ☐ Very ☐ Extremely

How interested are you in a tech career now?

☐ Not at all ☐ A little ☐ Somewhat ☐ Very ☐ Extremely

Would you recommend this program to a friend?

☐ Yes ☐ Maybe ☐ No

Which tech fields would you like to explore next? (tick all that apply)

- | | | |
|--|--|--|
| ☐ Web Development | ☐ Mobile Development | ☐ Cybersecurity |
| ☐ AI & Machine Learning | ☐ Data Analysis & Science | ☐ Cloud & DevOps |
| ☐ UI/UX Design | ☐ Game Development | ☐ Quality Assurance & Testing |
| ☐ Not sure yet | | |

F. Tell us more

What did you enjoy most, and why?

What was the hardest part? What would have helped?

What are you most proud of building or learning?

What should we change, add, or remove for the next group of students?

Any message for the facilitators, speakers, or alumni volunteers?

☐ I agree that my comments may be shared anonymously (without my name) to improve the program.

Thank you – keep building!
